The best stories evolve when
you sit down and talk...

Our Philosophy

Every place has a soul, which demands to be caught, interpreted, enhanced. This is the mission of our in/outdoor furniture, objects designed to fit harmoniously into any domestic space, amplifying its character and functionality. Characterised by design mastery, versatility of use and quality of manufacture and materials, they are more than simple products, but tangible manifestations of our way of thinking and relating to the world.

Designs for Every Space Built for Every Day

New Colors

A modern and versatile color collection that gives the chair a unique character suited for different interiors and atmospheres — from cafés and restaurants to terraces and contemporary dining spaces. Calm neutrals, bold statement shades, and fresh modern tones offer greater freedom to style your space and reflect its identity.

Designed to Match Every Space

Use & Maintenance Guide

Built for Everyday Use

Royal plastic chairs are designed for both indoor and outdoor environments, combining durability, comfort, and easy maintenance. To keep your chairs looking clean and performing well for a long time, follow these simple care instructions.

Proper Use

- Place the chair on flat and stable surfaces.
- Avoid standing on the chair or using it as a ladder.
- Do not exceed the recommended weight capacity.
- Lift the chair when moving it instead of dragging it across rough surfaces.
- For outdoor use, place the chair in shaded areas when possible to reduce long-term sun exposure.
- Stack chairs carefully to avoid scratches or pressure marks.

Cleaning Instructions

Daily Cleaning

- Wipe the chair with a soft cloth or sponge.
- Use mild soap mixed with warm water.
- Rinse with clean water and dry with a soft towel.

For Tough Dirt or Stains

- Use a non-abrasive household cleaner.
- Gently scrub with a soft sponge or microfiber cloth.
- For textured surfaces, use a soft brush to clean small grooves.

Storage Recommendations

- Store in a cool and dry place.
- Keep away from direct heat sources.
- Stack chairs evenly without excessive pressure.
- Do not place heavy items on top of stacked chairs.

Long-Term Appearance Tips

- Clean spills immediately to avoid staining.
- Regular maintenance helps preserve color and finish.
- Use soft cloths only to maintain a smooth surface appearance.
- Rotate outdoor furniture positions occasionally for even sun exposure.

Simple Care, Long-Lasting Performance

With proper use and regular cleaning, Royal plastic chairs will maintain their appearance, comfort, and durability for years.
